Recent Council Actions

At its September 19, 2011 meeting, the City Council took the following actions:

- Following a hearing the City Council approved the assessment roll for both street and storm water improvements that were constructed as part of the Rustic/Hawes/Demar neighborhood street reconstruction project in 2010. The Council also directed staff to work with residents on several concerns that were raised about sodding and drainage issues.
- The Council upheld the Planning Commission's decision to deny the variance request submitted by Michael Morse, 1648 Lois Drive, to exceed the area and height requirements for a detached accessory structure on his property.
- The City Council approved an ordinance creating a domestic partner registry for the City. The ordinance establishes a voluntary program that allows unmarried, committed couples who live in Shoreview to document their relationships. Shoreview becomes the 13th Minnesota City to adopt a domestic partner registry. It is anticipated that Shoreview will begin processing domestic partner registrations on November 1. There is a \$25 application fee. Information will be available on the City's website by mid-October.

The Farmer's Market will be held in the lower parking lot of the Community Center through October 25. Visit the Farmers Market on October 25 and receive a farewell treat compliments of Neumann Farms.
